

Hey, Is That a Chip on Your Shoulder?

It is if you're sporting the newest and hottest jacket in Vegas. September 2 will be the date marking the unveiling of the Limited Edition Las Vegas Casino Chip Jacket at Borsari at the MGM Grand and The Forum Shops at Caesars.

The white leather jacket is covered in 16 leather-covered with leather inlay, absolute chips, reproduced from the now-defunct casinos Silver Slipper, Castaways, Flamingo, Hacienda, Thunderbird, Miss Dunes, Sands, Marina, El Rancho and Nevada Club.

One thousand numbered commemorative jackets have been produced. 14 will be allotted to Las Vegas and they run a cool \$2,500 each. **Fun**
